RE: Request for Qualifications: Sommers Road and Highway N Intersection Improvements Project

Dear Consultant:

The **City of O'Fallon** is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter to no more than 3 pages. This submittal should include any information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals, other projects your company has recently completed or are now active, previous federally-funded project experience, and CMAQ-specific experience.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm's Statement of Qualification (RSMo 8.285 through 8.291) and an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15 CSR 60-15.020) be submitted with your firm's Letter of Interest.

We request all letters be received by 2:00 p.m. local time on November 1, 2012. Submittals shall be clearly labeled **Sommers Road and Highway N Intersection Improvements Project**.

Submit information to:
